

PrioritEE PLUS: Transferring the PrioritEE

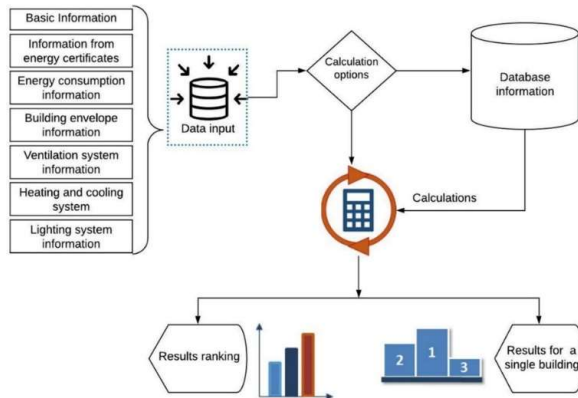

Decision Support Tool to public authorities in the MED area

PrioritEE PLUS is a **transfer project** aimed at improving, through transnational cooperation, the **capacities of public authorities in the energy management of Public Buildings and in local sustainable energy planning.**

What to transfer

The PrioritEE Decision Support Tool:

It helps local and regional authorities to assess the cost-effectiveness of a set of energy efficiency and renewable energy measures in public buildings.

How to transfer

Through a structured capacity building program that involves local authorities, regional partners and key local actors.

“**Giver partners**” will demonstrate the validity and usefulness of the DST and will assist the “**Receiver partners**” in its application.
