Start Date: 2022|10|01

Estimated Project Costs: € 1,975,312.50

Requested EU Contribution: €

1,975,312.50

Contact: Andrea Luca Attanasio

ariis@unical.it

The EXPER project aims at supporting the institutional transformation of University of Las Palmas de Gran Canaria and Azores University through capacity building activities and through international cooperation with the leading Universities of Rostock University (DE) and Calabria (IT). EXPER will enhance the scientific excellence and innovation capacity of the partnering universities with a focus on research fields addressing challenges and opportunities offered by the blue economy and circular economy.
